

# CHILD DEVELOPMENT, CERTIFICATE OF ACHIEVEMENT

The Certificate of Achievement in Child Development is designed for students interested in studying Child Development for general understanding of child growth and development within the family and cultural context. Students who complete the Child Development program will develop the knowledge of subject matter and professional skills that enable them to work in the Early Education and Family Development fields, or any related professional area.

To earn a Certificate of Achievement in Child Development, students complete the 24.5 units of state designated "Core 8" courses of Child Growth and Development; Child, Family, and Community; Principles and Practices; Introduction to Curriculum; Child Nutrition, Health, and Safety; Observation and Assessment; Diversity Issues; and Student Teaching.

Upon successful completion of this program, students will be able to:

- apply concepts of child growth and development from conception through adolescence within the family and cultural context.
- develop an early education environment that honors the diversity of the learning community through empowerment, equity, respect, and dignity.
- apply a variety of teaching strategies, manage the classroom, monitor children's development and learning, guide behavior, and use reflection on teaching practice to guide future planning.
