

CHILD DEVELOPMENT

Program Purpose: Students who complete Child Development courses will be able to apply concepts of child growth and development from conception through adolescence within the family and cultural context. Students who complete the Child Development program will develop the foundational knowledge of subject matter, professional skills and dispositions that enable them to work in the Early Education, Elementary Education, and Family Development fields.

Transfer Information

Students planning to transfer need to consult with a counselor, prepare a Student Education Plan, and take advantage of the support services available in the Career Transfer Center located in Fountain Hall, (805) 378-1536.

Career Information

Due to the varying educational requirements in the early and elementary education fields, students are advised to consult with a child development faculty member prior to finalizing their Student Education Plans.

For additional coursework to prepare for careers with elementary-aged children, please see courses in the Education section of this catalog.

Notes (refer to chart above)

Child development work experience can be gained through Student Teaching Practicum (CD M12L) and Internship (CD M80) courses. In order for students to participate in practicum and internship courses and to complete observational study assignments for any course in the discipline, students need to show:

- Proof of immunity to measles. This is done by either providing documentation of 2 MMR vaccinations or a positive titer for measles. Only a physician can decline this requirement.
- Documentation for Tdap for pertussis. Immunization must be after age 11. Only a physician can decline this requirement.
- Current TB clearance. If you have ever received a positive TB result, you must submit a clear chest x-ray within 5 years, with a yearly reevaluation.
- Documentation of flu shot within one year of the last day of the semester. The student can complete a declination form for this requirement.
- There are also requirements for employment in any licensed child care and development setting.

Core ECE/CD courses include:

CD M02 Human Development: Infancy through Adolescence (Units: 3), CD M03 Child, Family, and Community (Units: 3)

List A - Select and complete one course (3-4 units) listed below:

CD M11 Principles and Practices in Early Childhood Education (Units: 3), CD M14 Introduction to Curriculum (Units: 3), or CD M15 Care and Education Programs: Infants/Toddlers (Units: 3)

List B - Select and complete one course (3-4 units) listed below:

CD M04 Observation and Assessment (Units: 2) & CD M04L Observation and Assessment Laboratory (Units: 1), CD M05 Teaching in a Diverse Society (Units: 3), CD M07 Music in Early Childhood Education (Units:

3), CD M08 Children's Art within a Multicultural Perspective (Units: 3), CD M09 Science, Technology, Engineering, & Math in Early Childhood Education (Units: 3), CD M10 Language Arts and Literacy in Early Childhood Education (Units: 3), CD M12 Early Childhood Education Teaching Practicum (Units: 2) & CD M12L Early Childhood Education Teaching Practicum Lab (Units: 1.5), CD M23 Health, Safety, & Nutrition (Units: 3), or CD M11 Principles and Practices in Early Childhood Education (Units: 3), if not used in List A.

The above core courses are also the 12 units required for entry level employment in a Title 22 preschool.

GE courses. One course in each of four general education categories, which are degree-applicable: English/Language Arts, Math or Science, Social Science, Humanities and/or Fine Arts. Please consult the Counseling department for guidance.

Specialization units. Reflects areas of interest selected by the student. Examples include: Art (CD M08 Children's Art within a Multicultural Perspective (Units: 3) and ART M20 Two-Dimensional Design (Units: 3)), Language and Literacy CD M10 Language Arts and Literacy in Early Childhood Education (Units: 3)), and Science (CD M09 Science, Technology, Engineering, & Math in Early Childhood Education (Units: 3) and PHSC M01 Principles of Physical Science (Units: 3))

Child Development Career Pathways

The Child Development department offers coursework applicable to a variety of careers in education, training, and public service. For students wishing to enter the field of Early Childhood Education, attainment of a Child Development Certificate of Achievement or Degree, or the AS-T in Early Childhood Education, is a gateway to entering the early childhood career ladder/permit structure developed by the California Commission on Teacher Credentialing.

The Child Development Career Pathways table outlines certificate and degree alignment with the California Child Development Permit structure, as well as educational and work experience requirements needed to obtain a California Child Development permit. For additional information on the early childhood career ladder and both Title 5 and Title 22 employment requirements, please contact the Child Development department.

Child Development Permit

- A Child Development Permit from the California Commission on Teacher Credentialing is required for employment in a Title 5 school. Application for the Child Development Permit at any level is made through the California Commission on Teacher Credentialing or the County Office of Education. Child Development full-time faculty members are available for consultation on coursework and application procedures. Please contact the department.
- All unit requirements listed above are semester units.
- All coursework must be completed with a grade of C or better.
- Permit applicants are required to demonstrate personal and professional fitness through a criminal background check/fingerprint clearance.
- Financial assistance with application and fingerprint processing fees may be available through the Child Development Training Consortium. Further information is available at www.childdevelopment.org (<http://www.childdevelopment.org/>).

Health Clearance Requirements

Students enrolled in courses for which observation and fieldwork in a licensed early childhood program is assigned will be required to provide the following health and immunization documentation:

- Proof of immunity to measles. This is done by either providing documentation of 2 MMR (measles, mumps, and rubella) vaccinations, or a positive titer for measles.¹
- Documentation of Tdap vaccination (tetanus, diphtheria, and pertussis) for pertussis immunization, must be after the age of 11.¹
- Documentation of flu shot received within one year of the last day of the semester, but a person can write a declination and put it on file.
- Proof of TB (tuberculosis) clearance within one year of the last day of the semester. If you have ever received a positive TB result, you must submit a clear chest x-ray within 5 years with a yearly reevaluation.

1

Only a physician can decline measles and Tdap vaccinations.

Students are responsible for any costs associated with the immunizations and TB clearances. The Student Health Center on campus offers immunizations and titers.

NOTE: Some courses may have credit limitations. Refer to the **Credit Limitations** and **UC Credit Limitations** areas or see the UC Transfer Course Agreement (<http://catalog.vcccd.edu/moorpark/transfer-information/transfer-uc/#uctcatext>) page for details.

Registered Behavior Technician Courses

RBT M01 Registered Behavior Technician: Knowledge Skills 2.5 Units*In-Class Hours:* 43.75 lecture

Introduces the core tasks that are likely to be performed by behavior technicians: measurement, assessment, skill acquisition, behavior reduction, documentation and reporting, and professional conduct and scope of practice. Presents evidence-based instruction on behavioral concepts, procedures for skill acquisition, strategies for problem behavior reduction, and professional and ethical conduct. OTHER: Students need to show proof of immunity to Measles. This is done by either providing documentation of 2 MMR vaccinations, or a positive titer for Measles. Documentation for Tdap for Pertussis immunization must be after the age of 11. Flu shot is mandatory and to be given within one year of the last day of the semester, but a person can write a declination and put it on file. Only a physician can decline for Measles and Tdap. Students must also show proof of TB clearance. If you have ever received a positive result, you must submit a clear chest x-ray within 5 years with a yearly reevaluation. Students are responsible for any costs associated with the immunizations and TB tests. The Student Health Center on campus offers immunizations and titers.
