

ACCOUNTING

Students interested in majoring in Accounting after transfer to a four-year university should check www.assist.org (<http://www.assist.org>) for premajor requirements that may be completed at Oxnard College to prepare them for transfer. In addition, many CSU campuses have deemed the AS-T in Business Administration as similar to their Accounting majors or emphasis in Accounting, making completion of that AS-T advantageous for students.

To determine if the AS-T in Business Administration is the best preparation for Accounting majors at a particular CSU, students should check the Associate Degree for Transfer Major and Campus Search (<https://www.calstate.edu/apply/transfer/Pages/associate-degree-for-transfer-major-and-campus-search.aspx>) website and seek guidance from a counselor.

Program Student Learning Outcomes

Upon successful completion of this program, students will be able to:

- Complete exercises involving reflection, critical review and analysis of accounting problems in Financial and Managerial accounting.
- Prepare, interpret and summarize Financial Reports for external users.
- Master an understanding of the Accounting Cycle and computerized accounting.
