Vision Statement

The Ventura County Community College District will become the leader in the development of high quality, innovative educational programs and services. Keeping in mind that students come first, we will model best practice in instructional and service delivery, student access, community involvement, and accountability.

Mission Statement

Our mission is to provide a safe and secure campus environment for our students, faculty, staff and visitors, as well as to protect the facilities, property and assets of the Ventura County Community College District. We strive to provide a peaceful learning environment in which research, education and public service can grow.

Values Statement

- We value protecting the campus community through proactive policing.
- We value fostering dignity and respect in all interactions.
- We value developing a community-oriented partnership to resolve issues and problems with our students, faculty, and staff.
- We value endorsing the Law Enforcement Code of Ethics: to impartially enforce the law, to respect the rights of individuals, and to encourage voluntary compliance with the rules, regulations, and laws through equal and impartial application of enforcement.

Accessibility Statement

Ventura County Community College District (VCCCD), believes that higher education should be available to everyone and we support a diverse community that includes people with disabilities. In this spirit and in alignment with the California Community Colleges, we are committed to accessibility for all students, faculty, staff, and our community.

VCCCD is fully committed to making information and communication technology, instructional technology, and student, employee, and community communications accessible. VCCCD views accessibility of such material as foundational to our mission and consistent to the Board of Trustees Strategic Goals. As such, the VCCCD Board of Trustees established policy to affirm accessibility expectations.

In the event you find an accessibility issue within using the online catalog, please contact your college's DSP&S Office:
