

# BUSINESS ADMINISTRATION 2.0, ASSOCIATE IN SCIENCE FOR TRANSFER

A degree in business leads to a broad range of employment opportunities in a variety of industries such as banking, health care/biotechnology, law, entertainment, defense, computer/electronics, and education, as well as in government agencies and not-for-profit organizations.

The Associate in Science in Business Administration 2.0 for Transfer (AS-T in Business Administration 2.0) is intended for students who plan to transfer and complete a bachelor's degree in Business Administration, or a "similar" major at a CSU campus. Each CSU campus determines which of the degrees it offers are "similar" and can be completed with the preparation included in the AS-T in Business Administration 2.0 within 60 units once a student transfers, so which majors are "similar" varies from CSU to CSU. For a current list of what majors (and what options or areas of emphasis within that major) have been designated as "similar" to this degree at each CSU campus, please refer to the CSU's Associate Degree for Transfer Major and Campus Search (<https://www.calstate.edu/apply/transfer/Pages/associate-degree-for-transfer-major-and-campus-search.aspx>) website and seek guidance from a Moorpark College counselor. Students completing this degree are guaranteed admission to the CSU system, but not to a particular campus or major.

## To earn an AS-T in Business Administration 2.0, students must:

- Complete 60 semester or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
  - The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth (CSU GE-Breadth) requirements
  - The coursework required for the AS-T Business Administration 2.0 as listed in the Moorpark College catalog.
- Obtain a minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some transfer institutions and majors may require a higher GPA. Please consult with a counselor for more information.
- Obtain a grade of "C" or better or "P" in all courses required in the major. Even though a "pass-no-pass" is allowed (Title 5 §55062), it is highly recommended that students complete their major courses with a letter grade (A, B, or C).
- Complete requirements in residency. For students in the Ventura County Community College District, a minimum of 12 semester units must be completed in residence within the college district.

Students transferring to a CSU campus that does accept the AS-T in Business Administration 2.0 will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major at a particular campus). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor to obtain more information on university admission and transfer requirements.

**NOTE:** This updated transfer degree replaces the AS-T in Business Administration and aligns with the updated TMC template.

Course ID	Title	Units/ Hours
<b>REQUIRED CORE</b>		
ACCT M110	Financial Accounting	3
ACCT M120	Managerial Accounting	3
BUS M33	Business Law	3
ECON M201	Principles of Microeconomics	3
ECON M202 or ECON M202H	Principles of Macroeconomics Honors: Principles of Macroeconomics	3
MATH M15 or MATH M15H	Introductory Statistics Honors: Introductory Statistics	4
<b>Select one of the following:</b>		
MATH M16A	Applied Calculus I	3
MATH M25A or MATH M25AH	Calculus with Analytic Geometry I Honors: Calculus with Analytic Geometry I	5
<b>Select one of the following:</b>		
BUS M30	Introduction to Business	3
BUS M39	Business Communication	3
<b>NOTE: BUS M140 may be required for transfer to some CSUs. Please work with your counselor to verify that the CSU you plan to attend requires Business M140. It is advantageous to complete this course before transferring. This course will examine information systems and their role in business by focusing on the theory and application of computer-based solutions to business problems.</b>		
<b>Total Units for the Major</b>		<b>25 - 27</b>
<b>CSU General Education Breadth</b>		<b>39</b>
Double-Counted Units		9
Electives Units to meet 60 CSU transferable		3 - 5
<b>IGETC Pattern</b>		<b>37</b>
NOTE: IGETC Area 1C (oral Communication) is required for all CSU applicants. Students applying to a UC or Private School may earn this ADT without IGETC Area 1C but will NOT meet CSU admissions requirements.		
Double-Counted Units		9
Electives Units to meet 60 CSU transferable		5 - 7
<b>Total Units Required for AS-T Degree</b>		<b>60</b>

Upon successful completion of this program, students will be able to:

- identify and utilize the fundamental principles of business.
