

# LAW, PUBLIC POLICY, AND SOCIETY, ASSOCIATE IN ARTS FOR TRANSFER

The Associate in Science in **Law, Public Policy, and Society** for Transfer (AA-T) is intended for students who plan to transfer and complete a bachelor's degree in American Studies, Communications, Criminal Justice, Criminology, Global Intelligence and National Security, International Relations, Philosophy, Political Science, Social and Behavior Sciences (Political Economy Concentration), or a "similar" major at a CSU campus. Students completing this AA-T degree are guaranteed admission to the CSU system, but not necessarily to a particular CSU campus or major of their choice. For a current list of what majors (and what options or areas of emphasis within that major) have been designed as "similar" to this degree at each CSU campus, please refer to [adegreewithaguarantee.com](http://adegreewithaguarantee.com) and seek guidance from a Moorpark College counselor. Students completing this degree are guaranteed admission to the CSU system but not necessarily to a particular campus or major of choice.

To earn an **AA-T in Law, Public Policy, and Society**, students must:

- Complete of **60** semester or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
  - The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth (CSU GE-Breadth) requirements
  - A minimum of **32** semester units in **Law, Public Policy, and Society** major as listed in the Moorpark College catalog.
- Obtain a minimum grade point average (GPA) of at least **2.0**. While a minimum of 2.0 is required for admission, some transfer institutions and majors may require a higher GPA. Please consult with a counselor for more information.
- Obtain a grade of "**C**" or better or "**P**" in all courses required in the major. Even though a "pass-no-pass" is allowed (Title 5 §55063), it is highly recommended that students complete their major courses with a letter grade (A, B, or C).
- Complete requirements in residency. For students in the Ventura County Community College District, a minimum of 12 units must be completed in residency at the college granting the degree.

Students transferring to a CSU campus that **does** accept the AA-T in **Law, Public Policy, and Society** will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major at a particular campus). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor to obtain more information on university admission and transfer requirements.
