

UI/UX DESIGN BASICS, CERTIFICATE OF ACHIEVEMENT

The Certificate of Achievement in UI/UX Design Basic prepares students to work in computer systems design and related services, publishing industries, management, scientific and technical consulting services, advertising, public relations, and related services. Students completing this program will be well-versed in human-computer interaction and web design principles, and apply them to UI/UX design, media integration, site structure, styling, and production.

The students will be engaged in contextualized and experiential learning to digitally apply the fundamental principles of web design and development to concrete, real-world projects. To earn a Certificate of Achievement in UI/UX Design Basics, students must complete 21 specified units. Students are encouraged to participate in a 60-180 hours internship with a Moorpark College-affiliated industry.

To earn a Certificate of Achievement in Graphic Design, students must complete 21 specified units.
