

PSYCHOLOGY, ASSOCIATE IN ARTS FOR TRANSFER

The Associate in Arts in Psychology for Transfer degree (AA-T in Psychology) is designed for students intending to major in Psychology and transfer to a four-year institution, and for students interested in studying Psychology for a general understanding of the human mind and behavior useful in any career and in everyday life. A major in psychology provides a scientific study of the mind and behavior of individuals and groups in contemporary society. The major also provides a background for upper-division and graduate study in the field of psychology and related specialties. Furthermore, this major provides the foundation for a variety of careers.

The AA-T in Psychology is intended for students who plan to transfer and complete a bachelor's degree in Psychology, or a "similar" major at a CSU campus. Each CSU campus determines which of the degrees it offers are "similar" and can be completed with the preparation included in the AA-T in Psychology within 60 units once a student transfers, so which majors are "similar" varies from CSU to CSU. For a current list of what majors (and what options or areas of emphasis within that major) have been designated as "similar" to this degree at each CSU campus, please refer to the CSU's Associate Degree for Transfer Major and Campus Search (<https://www2.calstate.edu/apply/transfer/Pages/associate-degree-for-transfer-major-and-campus-search.aspx>) webpage and seek guidance from a Moorpark College counselor. Students completing the AA-T in Psychology degree are guaranteed admission to the CSU system, but not necessarily to a particular CSU campus or major.

To earn an AA-T in Psychology, students must:

- Complete a minimum of 60 CSU-transferable semester including both of the following:
 - The Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education-Breadth (CSU GE-Breadth) requirements.
 - The required coursework for the AA-T in Psychology as listed in the Moorpark College catalog.
- Obtain a minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some transfer institutions and majors may require a higher GPA. Please consult with a counselor for more information.
- Obtain a grade of "C" or better or "P" in all courses required in the major. Even though a "pass-no-pass" is allowed (Title 5 §55062), it is highly recommended that students complete their major courses with a letter grade (A, B, or C).
- Complete requirements in residency. For students in the Ventura County Community College District, a minimum of 12 semester units must be completed in residence within the college district.

Students transferring to a CSU campus that accepts the AA-T in Psychology will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major at a particular campus). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor to obtain more information on university admission and transfer requirements.

Course ID	Title	Units/Hours
REQUIRED CORE: Complete the following courses		
PSY M01 or PSY M01H	Introduction to Psychology Introduction to Psychology - Honors	3
PSY M06	Introduction to Behavioral Research Methods	3
One Statistics Course from the following:		
MATH M15	Introduction to Statistics	4
MATH M15H	Introduction to Statistics - Honors	4
PSY/SOC M125	Statistics for the Behavioral and Social Sciences	3
Units from LIST A		3
Units from LIST B		3
Units from LIST C		3-5
Total Units for Major:		18 - 21

Course ID	Title	Units/Hours
LIST A: Select and complete one of the following		
PSY M02 or PSY M02H	Introduction to Behavioral Neuroscience Honors: Introduction to Behavioral Neuroscience	3

Course ID	Title	Units/Hours
LIST B: Select and complete one of the following		
PSY M05	Social Psychology	3
PSY M07	Developmental Psychology (Lifespan)	3
PSY M08	Abnormal Psychology	3

Course ID	Title	Units/Hours
LIST C: Select and complete one of the following		
Any course from List B not already used		
BIOL M02A or BIOL M02AH	General Biology I Honors: General Biology I	5
PSY M03	Personal Growth and Social Awareness	3
PSY M04	Child Psychology	3
PSY M10	Dying and Death	3
PSY M13	Human Sexuality	3
PSY M14	Cross-Cultural Psychology	3
PSY M16	Personality Theories	3

Course ID	Title	Units/Hours
Total Units for the Major		19 - 21
CSU General Education Breadth		39
Double-Counted Units		12
Electives to meet 60 CSU Units		12 - 14
IGETC Pattern		37

NOTE: IGETC 1C is required for all CSU applicants. Students applying to a UC or Private school may earn this ADT without IGETC 1C but will be ineligible to apply to a CSU.

Double-Counted Units	12
Electives to meet 60 CSU Units	14 - 16
Total Units Required for the AA-T Degree	60

Upon successful completion of this program, students will be able to:

- use scientific principles to evaluate the validity of scientific studies and claims.
- demonstrate an understanding of perspectives, theories, and core concepts in Psychology.
- recognize and understand the impact and value of diversity on psychological research, theory, and application, including but not limited to: age, race, ethnicity, culture, gender, socioeconomic status, disability, and sexual orientation.
- discuss the value and use of Psychology in contemporary society.
