

PSYCHOLOGY

Program Purpose: Students completing the Associate in Arts in Psychology for Transfer Degree will be able to use scientific principles to evaluate the validity of scientific studies and claims, demonstrate an understanding of perspectives, theories, and core concepts in Psychology, discuss the value and use of Psychology in contemporary society; and recognize and understand the impact and value of diversity on psychological research, theory, and application, including but not limited to age, race, ethnicity, culture, gender, socioeconomic status, disability, and sexual orientation.

A major in psychology provides a scientific study of the mind and behavior of individuals and groups in contemporary society. The Associate in Arts in Psychology for Transfer (AA-T) degree program is designed for students intending to major in any type of psychology at a four-year institution as it provides students with the lower division breadth and depth of the field of psychology. The program is also for students interested in studying psychology for a general understanding of the human mind and behavior useful in any career and in everyday life.

Transfer Information

Students planning to transfer need to consult with a counselor, prepare a Student Education Plan, and take advantage of the support services available in the Career Transfer Center located in Fountain Hall, (805) 378-1536. See General Education Degree Requirements and Transfer Information.
