Student Activities

The Student Activities Office encourages student life on campus by overseeing the Associated Students and student organizations in addition to hosting and sponsoring campus events. These extracurricular activities allow students to learn leadership, civic responsibility, and appreciation of diversity while providing them with skills and experiences to enhance their employability. All students have the opportunity to get involved in campus life by participating in student clubs and organizations, running for student government, being a student representative on college committees or attending campus activities. Find out how to get involved by contacting the Student Activities Office at calling (805) 378-1434, or visiting us at Student Life + Activities (<https://www.moorparkcollege.edu/departments/student-services/student-activities/>)

Associated Students

Each spring semester the student body elects its officially recognized student government, the Associated Students of Moorpark College (<https://www.moorparkcollege.edu/departments/student-services/student-activities/associated-students/>) (ASMC) Board of Directors. This Board consists of eleven students elected to represent Moorpark College students on campus, district, and statewide participatory committees. ASMC's mission is to give Moorpark College students a voice for their ideas and concerns. ASMC provides leadership opportunities and encouragement for students to get involved on campus through student organizations, campus events, and extracurricular activities. ASMC inspires students towards critical thinking, civic responsibility, advocacy, and leadership.
