

CAMPUS ACTIVITIES

Charles Temple Observatory

Moorpark College's on-campus observatory is situated in an area with minimal light pollution to enhance viewing. Students taking astronomy labs explore the night sky by guiding simple-to-use telescopes themselves at the site. The observatory is periodically opened for public events hosted either by the college or the Ventura County Astronomical Society. For information on public astronomy programs, contact the Ventura County Astronomical Society at (805) 529-9666 or go online at www.vcas.org (<http://www.vcas.org>).

Theatre Arts: Students interested in Theatre Arts are offered a wide variety of classes, performance opportunities, and technical experiences in our two state-of-the-art theaters for students interested in both transfer and direct career preparation (CTE). The ambitious Theatre Arts program mounts classical drama, comedy, musical theatre (partnering with Music and Dance) productions, as well as student-written one-act plays, monologues and improvisational comedy performances.

Dance: The Dance Department offers a wide variety of classes and levels to suit the needs of our dance students in their educational and career pathways. Each semester Dance offers a main stage production (Speaking Movement in the Fall and Motion Flux in the Spring), the "Evening of Dance" (a culminating concert featuring students from Dance classes), and, for the advanced dancer, the Moorpark College Modern Touring Ensemble.
