Campus Police Services

The VCCCD Police Department (<https://www.vcccd.edu/departments/police/police-services/>) strives to promote a safe campus environment conducive to academic achievement through the cooperation of students, faculty, and staff. With your help in reporting suspicious activities or crimes, we are confident we can achieve this goal. We encourage the prompt reporting of any incident that threatens the safety, health, or rights of our campus community. The information contained in this report is made available to you in compliance with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act, referred to as the Clery Act. This Act requires that all Title IV institutions prepare, publish, and distribute an annual security report which contains, among other information, three years of the institution's crime statistics and current security policies. The report is available for download or viewing electronically on the Ventura County Community College District website and in hard-copy format at any of the three campus police stations on the Moorpark, Oxnard, and Ventura campuses. The crime report covers the Moorpark, Oxnard, and Ventura campuses, the public property immediately adjacent/accessible to those campuses, as well as extending a mile around the campuses, and non-campus locations owned and/or controlled by the District. We remain committed to providing the highest levels of service and safety. On behalf of the District, Colleges, and our officers, thank you for helping to make our campuses safe.

The Campus Police office is also the location for Lost & Found items.
