

# PACE

---

Program for Accelerated College Education or PACE a college program designed for busy adults that enables you to complete an Associate degree in about two years. PACE students take two courses every eight weeks. Most courses are offered either 100 percent online or in a hybrid format (part of the course is online but will also include some face-to-face meetings).

PACE is offered in the following areas:

- Business Administration
- Elementary Teacher Education
- Paralegal Studies
- Psychology
