

ENGLISH AS A SECOND LANGUAGE

English as a Second Language courses provide students with the reading, writing, and communication skills necessary for success in academic courses across the disciplines. Credit courses start at the advanced-intermediate level (ESL R076), to advanced (ESL R086), and continue through college-level courses in reading (ESL R096), composition (ESL R100), and oral communication (ESL R108). Reading instruction focuses on academic vocabulary development, study skills, and comprehension as it pertains to content-area reading. Writing instruction includes sentence skills, paragraph and essay writing, and grammar review. ESL R108, Oral Communication, emphasizes speaking and presentation skills for academic and employment settings.

AB705 & 1805: "Instruction in English as a second language (ESL) is distinct from remediation in English. Students enrolled in ESL credit coursework are foreign language learners who require additional language training in English, require support to successfully complete degree and transfer requirements in English, or require both of the above." CCCCC

AB 705 Compliance: Students who move successfully through the levels of credit ESL are able to complete transfer-level composition within the 3-year time limit set by AB 705. Initial placement will determine the number of semesters a student will need to complete transfer-level composition. Students can accelerate through the levels based on instructor and counselor recommendations.

Multiple Measures: Oxnard College Student Services use several measures to help students select the right courses for their skill level. These include the Reading and Writing Guided Self-Placement, ESL Placement Survey, HS Welcome Event Writing Sample, HS Transcripts, ABE/AE courses. It is recommended that students contact the Welcome Center and meet with a counselor for help with course selection.

Note: Oxnard College offers five levels of noncredit courses in ESL. Courses included in the noncredit program are: ESL R800A, ESL R800B, ESL R801A, ESL R801B, ESL R802A, ESL R802B, ESL R803A, ESL R803B, ESL R804A, and ESL R805.
