

# INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC), CERTIFICATE OF ACHIEVEMENT

The Certificate of Achievement in Intersegmental General Education Transfer Curriculum (IGETC) recognizes the completion of the IGETC pattern of lower-division general education courses. IGETC is a series of courses that California community college students can complete to satisfy most freshman/sophomore level general education requirements in preparation for transfer. Separate from IGETC certification, the Certificate of Achievement is a state-approved award that is given by the college, documented on a student's transcript, and qualifies a student to participate in the annual graduation ceremony.

Completion and certification of IGETC will permit a student to transfer from a California Community College to a California State University (CSU) or University of California (UC) campus generally without the need, after transfer, to take additional lower-division general education courses to satisfy campus general education requirements. Students wishing to use a course to meet an IGETC requirement must be sure that the course is on the IGETC list during the academic year when it is taken. **When substituting a course from another California Community College, check [assist.org](https://assist.org) to verify the course was approved to meet IGETC in that area at the college where the course was taken, in the year it was taken.**

To earn the Certificate of Achievement in IGETC, students must:

- Complete a minimum of 37 semester units in IGETC Areas 1-5 and 7 as specified. Each course must be a minimum of 3 semester units.
- Complete IGETC Area 6A Language Other than English if transferring to a UC.
- Complete all courses with a grade of "C" or better or "P." A "C" grade is defined as a minimum of 2.0 on a 4.0 scale. A "C-" grade valued at less than 2.0 grade points on a 4.0 scale cannot be used for IGETC certification or the COA. The UC allows a maximum of 14 units to be graded "P" towards the 60 units required for transfer admission.
- Achieve a cumulative grade point average of no less than 2.0 in all college coursework applicable to the Certificate of Achievement.

## IGETC 2024-2025

A minimum of a "C" grade is required in each college course for IGETC. A "C" is defined as a minimum 2.0 grade points on a 4.0 scale. Each course must be at least 3 semester/4 quarter units (except Science Lab courses in Area 5C)
