

HOSPITALITY MANAGEMENT, ASSOCIATE IN SCIENCE FOR TRANSFER

The Associate in Science in Hospitality Management for Transfer (AS-T in Hospitality Management) offers a comprehensive educational approach to a career in the hospitality industry. The curriculum is designed to prepare students with both management theories and occupational job skills required to enter any segment of the industry including jobs with local and global hotels and resorts, restaurants, wineries, breweries, airlines, cruise lines, sports arenas, entertainment venues, and amusement parks.

The AS-T in Hospitality Management is intended for students who plan to complete a bachelor's degree in Hospitality Management or a "similar" major at a CSU campus. For a current list of what majors (and what options or areas of emphasis within that major) have been designated as "similar" to this degree at each CSU campus, please refer to CSU's Associate Degree for Transfer Major and Campus Search (<https://www.calstate.edu/apply/transfer/Pages/associate-degree-for-transfer-major-and-campus-search.aspx>) webpage and seek guidance from an Oxnard College counselor. Students completing this degree are guaranteed admission to the CSU system but not to a particular campus or major.

To earn an AS-T in Hospitality Management degree, students must:

1. Complete a minimum of 60 CSU-transferable semester units including both of the following:
 - a. Certified completion of the Intersegmental General Education Transfer Curriculum (IGETC) or the California State University General Education Breadth (CSU GE-Breadth) requirements.
 - b. A minimum of 18 semester units in the Hospitality Management major as listed in the Oxnard College catalog.
2. Obtain a minimum grade point average (GPA) of at least 2.0 in all CSU-transferable coursework. While a minimum of 2.0 is required for admission, some majors may require a higher GPA. Please consult with a counselor for more information.
3. Obtain a grade of "C" or better or "P" in all courses required in the major. Even though a "pass-no-pass" is allowed (Title 5 § 55063), it is highly recommended that students complete their major courses with a letter grade.
4. Complete requirements in residency. For students in the Ventura County Community College District, a minimum of 12 units must be completed in residence at the college granting the degree.

Students transferring to a CSU campus that accepts the AA-T in Hospitality Management will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major at a particular campus). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.

Course ID	Title	Units/ Hours
Required Core Courses		3
CRM R100	Principles of the Hospitality Industry	
List A		9-13
Complete three courses from the following:		
ECON R201	Introduction to the Principles of Microeconomics
