

FIGURE SCULPTURE, CERTIFICATE OF ACHIEVEMENT (COA)

The Figure Sculpture Certificate of Achievement provides an introduction to sculpting the human figure in three dimensions using live models. Courses of study emphasize understanding the structure and anatomy of the human form. Personal artistic styles are developed through the exploration of different poses, proportions, and expressive modeling. Construction skills will be developed using a variety of materials including clay, wire, and mixed media. Students apply these skills in exploring sculptural concepts ranging from the traditional to the contemporary while reflecting a diversity of cultural perspectives.

- Analyze works of art in terms of their historical contexts and social and cultural values.
- Analyze works of film and media, create and edit works of film including narrative and editorial.
