

ACCOUNTING, CERTIFICATE OF ACHIEVEMENT

The Certificate of Achievement in Accounting enables students to demonstrate an understanding of basic accounting principles and procedures, as well as the role of accounting and bookkeeping within various business organizations. Students will be able to analyze, process and report financial information within established manual and computerized protocols, and they will understand the importance of ethics and social responsibility in the accounting profession.

Study in accounting leads to a variety of employment opportunities in organizations in the public and private sectors of the economy. Upon completion of the certificate of achievement, students will be prepared for entry-level positions within business organizations, to advance to an associate degree in accounting, and will possess the rudimentary information necessary to start their own businesses.

Transfer requirements may differ.
