

BUSINESS MANAGEMENT, ASSOCIATE IN SCIENCE

Transfer requirements may differ. See counselor or consult assist.org (<http://assist.org>)

The Business Management Program enables students to become effective managers of business situations, projects and personnel. The curriculum will provide the necessary skills to contribute to the company's bottom line. A variety of courses will provide a foundation of general management theory and practice, accounting, introduction to business and economics, and communications. The purpose of this degree track is to prepare non-transfer students for entry-level supervisory positions and/or provide knowledge and skill as a foundation for business ownership.
