

CREATIVE WRITING, CERTIFICATE OF ACHIEVEMENT

The Certificate of Achievement in Creative Writing offers an inclusive environment for aspiring writers, particularly from underrepresented backgrounds. This program fosters a dynamic community with creative writing classes, workshops, and support for enhancing writing skills and marketing literary work. The curriculum includes courses in fiction, poetry, creative nonfiction, playwriting, screenwriting, and new media, with instruction from published authors and experienced educators.

Completion of the certificate lays a solid foundation for careers in writing professions and promotes personal growth. Strong writing skills are also crucial assets in all professions for effective communication and workplace success.

The certificate fulfills lower division creative writing requirements for an English bachelor's degree with an emphasis or minor in creative writing at most colleges and requires no additional units for students pursuing an Associate in Arts in English for Transfer (AA-T) at Ventura College.
