SOCIOLOGY, ASSOCIATE IN ARTS FOR TRANSFER

The Associate in Arts in Sociology for Transfer is intended for students who plan to complete a Bachelor's Degree in Sociology or a similar major at a CSU campus. Students completing the Associate in Arts in Sociology for Transfer degree are guaranteed admission to the CSU system, but not to a particular campus or in a specific major.

Students transferring to a CSU campus that accepts the Associate in Arts in Sociology for Transfer will be required to complete no more than 60 units after transfer to earn a bachelor's degree (unless the major is a designated "high-unit" major at a particular campus). This degree may not be the best option for students intending to transfer to a particular CSU campus or to a university or college that is not part of the CSU system. For a current list of what majors (and what options or areas of emphasis within that major) have been designated as "similar" to this degree at each CSU campus, please refer to California State University Associate Degree for Transfer website (https://www.calstate.edu/apply/transfer/Pages/associate-degree-for-transfer-major-and-campus-search.aspx). Students should consult with a counselor when planning to complete the degree for more information on university admission and transfer requirements.

To earn an Associate in Arts in Sociology for Transfer, students must meet the following requirements:

1. Attain certified completion of 60 semester units or 90 quarter units that are eligible for transfer to the California State University, including both of the following:
   a. The Intersegmental General Education Transfer Curriculum (IGETC for CSU) or the California State University General Educational-Breadth (CSU GE-Breadth) requirements.
   b. A minimum of 18 semester or 27 quarter units in a major or area of emphasis, as determined by the community college district.
2. Obtain a minimum grade point average (GPA) of 2.0 in all CSU transferable coursework. While a minimum GPA of 2.0 is required for admission, some transfer institutions and majors may require a higher GPA. Please consult with a counselor for more information.
3. Obtain a grade of "C" or better, or "P," in all courses required in the major or area of emphasis. Even though a "P" grade is allowed (Title 5, Section 55062), it is recommended that students complete their major courses with a letter grade ("A," "B," or "C") due to unit limitations on "P/NP" courses.
4. Complete requirements in residency. For students in the Ventura County Community College District, a minimum of 12 units must be completed in residence within the college district.
